Notice of publication of a draft environmental permit

Public from: 27.12.2022
Public until: 28.12.2122

Keskkonnaamet publishes this announcement under Section 47(2) of the General Law on the Environment (KeÜS).

Keskkonnaamet announces that aktsiaselts PRINTALL (registry code: 10092701) (address Tala tn 4, Lasnamäe linnaosa, Tallinn, Harju maakond, 11415) following the request for amendment of the environmental permit submitted by the applicant, a draft amendment to environmental permit No KL-509952 and a draft amendment to the environmental permit have been prepared. The address of the installation is Tala tn 4, the district of Lasnamäe, Tallinn, Harju County (cadastral Identifier 78403:314:0211).

The installation has a total of 11 emission sources, namely chimneys for boilers and appliances, outlets for drainage systems and ventilation outlets for workrooms.

Its main activity is the printing of periodicals, business catalogues, advertising materials, business forms and other office supplies (EMTAK: 18122).

The company would like to change the environmental permit as a result of the introduction of a new fuel type. In addition to natural gas, liquefied petroleum gas (LPG) will be used as fuel..

of the draft(s) and other relevant documents are available on At the offices of the Environment Agency all over Estonia..
The draft (s) is (are) digitally available at https://kotkas.envir.ee/menetlus/M-122360 in the environmental decision information system

Proposals and objections to the draft(s) can be submitted orally to Environment Agency or in writing to at the e-mail address info@keskonnaamet.ee or by telephone 5646 1139 within two weeks from the date of publication of the announcement in the Official Announcements.
