Notice of granting or refusing to grant an environmental permit

Public from: 02.02.2024

Public until: 03.02.2124

Keskkonnaamet publishes this announcement under [Section 58\(3\) of the General Law on the Environment \(KeÜS\)](#). Pursuant to subsection 11 (6) of the Environmental impact assessment and Management System Act, if the proposed activity is expected to involve significant environmental impact, the decision-maker shall not initiate the environmental impact assessment if the preliminary assessment reveals that the environmental impact of the proposed activity has already been appropriately assessed in the course of the environmental impact assessment or strategic environmental assessment and the decision-maker has sufficient information to grant an activity licence.

Keskkonnaamet announces that Aktsiaselts Rakvere Vesi (registry code: [10268413](#)) (address address Lääne-Viru maakond, Rakvere linn, Tallinna tn 5a, 44306) environmental permit No. KL-521023 has been granted. The Aktsiaselts Rakvere Vesi has been granted an open-ended water permit for groundwater abstraction from wells with cadastral numbers 25002 and 3306 located in Väeküla in Rakvere Parish, Lääne-Viru County, and for the discharge of waste water from LV613 onto the Vaeküla sewage treatment plant Vaeküla oja (environmental registry code WATER 1073700).

The administrative act and other relevant documents are available at digitally.

In digital format, the documents are available at 'Environmental permits' _ “procedures for environmental permits and applications” in Case No M-126412 as document No DM-126412-6.
