Notice of refusal to initiate an environmental impact assessment

Public from: 30.12.2024

Public until: for an indefinite period

The Keskkonnaamet publishes this announcement under [§ 12 \(1¹\)2\) of Environmental Impact Assessment and Environmental Management System Act](#).

Environmental Board as a decision-maker announces that by Decision No DM-130222-4 of 30.12.2024 as part of the dredging of the Kuresaar marina environmental impact assessment (EIA) has not started.

An environmental permit was granted for the transport of the western underwater rampart of the outing of Kuressaare marina (Tori tn 4, Kuressaare city, Saaremaa rural municipality, Saaremaa, Kü 34901:014:0390). Dredging and dumping of a total volume of 499 m³ will be carried out during the works. The movable underwater rampart shall be placed on the western edge of the remaining part of the valley.

EIA was not started as the proposed activity will not have a significant negative impact on protected bird species, the Multutu-Northwest Bird and nature area, the Multutu-Northwest nature Reserve or the Kuressaare Bay Conservation area.

The developer is Saaremaa Vallavalitsus (registry code: [77000306](#)) , contact details: Tori tn 4, Kuressaare City, Saaremaa Rural Municipality, Saare County, vald@saaremaavald.ee.

The decision-maker is Environmental Board (contact person Kai Ginter, e-mail kai.ginter@keskkonnaamet.ee, phone 5699 4373).

The decision not to start an EIA is available at digitally, documents are available in the Environmental Decisions information System EAGLE (<https://kotkas.envir.ee/>) by entering document No DM-130222-4 (https://kotkas.envir.ee/permits/public_document_view?search=1&document_number=DM-130222-4&document_id=145450).
