## **Notice of public display and public consultation of the Strategic environmental assessment Programme**

Start of publication: 10.07.2015

End of publication: indefinite

The Ministry of the Environment publishes a notice pursuant to [paragraph 37\(1\) of the Law on environmental impact assessment and management systems \(KeHJS\)](#).

The OÜ Eesti Keskkonnauuringute Keskus shall notify the publication of the Strategic environmental assessment (sea) programme of the "Development Plan for Adaptation to Climate change 2030" to the

The Ministry of the Environment initiated the Strategic environmental assessment of the "Development Plan for Adaptation to Climate change 2030" by Decree No 293 of 25.03.2015,

The development plan is designed to ensure the readiness and ability of Estonia to adapt to the effects of climate change. This means that the entire population, public and local authorities, the private sector and businesses, as well as society at large, are aware of climate change, are capable of properly assessing, responding to and adapting to the risks of change and thus avoiding the negative effects of climate change and maximising its positive effects on

The effects of climate change affect Estonia as well as Europe as a whole (including Estonia's pipe countries)

The parties involved in the preparation of a strategic planning document are:

The originator is the Ministry of the Environment (Liaison Officer for Climate and radiation Department of the Ministry of the Environment at Mari-Liis, telephone: 626 0719, e-mail: mari-liis.kell@envir.ee)

The organizer of the compilation is OÜ Eesti Centre for environmental studies (Liaison point Timo Uustal, telephone: 5885 9888, e-mail: timo.uustal@klab.ee)

Drafted by Estonian, Latvian & Lithuanian Environment OÜ (Tõnismägi 3A-15 Tallinn; contact: Ahto Oja, telephone: 508 2990, e-mail: ahto@environment.ee)

The author is the Government of the Republic of

The initial mandate of the Strategic planning document and the sea programme can be consulted in advance between 13 and 27 July and on OÜ Eesti Centre for environmental Research's website at <http://www.klab.ee/kohanemine/arengukava/>
