Notice of public display and public consultation of the EIA programme

Start of publication: 29.11.2017 in

End of publication: indefinite

The technical Surveillance Authority publishes a notice pursuant to [paragraph 16\(2\)\(1\) of the Law on environmental impact assessment and management systems \(KeHJS\)](#).

The technical Surveillance Authority shall notify the publication of the environmental impact assessment (EIA) programme for the Risipere-Turba railway line.

By Decision No 1-10/17-327 of 15.09.2017, the technical Surveillance Authority initiated, pursuant to paragraph 6(1) (14) of the KeHJS, an environmental impact assessment procedure for the Risipere-Turba railway line.

The request is for the construction of a new railway line between Risipere and Turba. The EIA will be carried out in the course of the construction project and a geodetic and geological study and land improvement project will be prepared in conjunction with the construction project.
