Notice of initiation of the mining authorisation procedure

Start of publication: 18.07.2019

End of publication: 19.07.2119

The Environment Agency publishes a notice under [paragraph 47\(2\) of the General Law on the Environment \(KeÜS\)](#).

The Environment Agency reports that OÜ Forek (registry code: [14270074](#)) (address Harju County, Tallinn, districts of the city centre, Jõe tn 3, 10151) submitted an application to modify the authorisation to exploit the mineral resources of the Anelema dolomite quarry.

The purpose of the application is to bring the mountain allocation limit into line with reality on the basis of the reassessed active consumption stock blocks in 2018 and to include blocks 6 at, 8 at and 17 at in part (0.27 ha) of the building dolomite mineral reserve on the catchment area of the mountain allocation.

Anelema dolomite quarry is located in Pärnu County, North Pärnu County, in the village of Anelema on the cadastral Anelema dolomite quarry (ID 18803:002:0119), Aare (ID 18803:002:0117), Reiden (ID 18803:002:0364), Ann-Killu (Elbe 18803:002:3:002:2:0271), Vall (ID 183:002:02:0322), Tute 3:003:180. Mining reserves and their catchment area exclude the cadastral unit dolomite substation (ID 18803:002:0023). Following the amendment of the authorisation requested for the Anelema dolomite quarry (KMIN-083), the surface area served by the mountain allocation remains the same at 69.40 ha, the surface area of the mountain allocation applied for at 29.97 ha. The average annual mineral extraction rate is 79 thousand m³, the mineral is used as a piece, as a fragment for building concrete, as a fragment for mixtures of asphalt and concrete.

The decision to initiate the mineral extraction authorisation procedure and other relevant documents can be consulted at the nearest office of the Environment Agency (tel 435 5621, e-mail info@keskkonnaamet.ee).

The application is made available digitally from the Register of documents of the Environment Agency at <https://dhs-ADR-kea.envir.ee/>

until a decision is taken to grant or refuse authorisation for mining and quarrying, everyone has the right to submit reasoned proposals and objections to the Environment Agency. Proposals and objections may be submitted orally or in writing to the info@keskkonnaamet.ee e-mail address or to the postal address Paala tee 4, 71014 Iljandi.

The preparation of the draft mining permit decision will be further notified by the Environment Agency in the Official Gazette Ametlikud Teadaanded.
