Announcement of sovereign wealth auction

Start of publication: 01.11.2019

End of publication: indefinite

The Defence League publishes a notice pursuant to [paragraph 58\(1\) of the Law on State property \(RVS\)](#).

The Defence Association has launched a written selection procedure for the use of the area of the city of hops in Harju County in Harku village:

a map of the city's land (cadastral identification 19801:011:0840, 100% national defence area, area 62,41 ha) has been included.

The period for putting into service shall be 10 years.

Objective of deployment: developing the urban area in such a way as to provide a better opportunity to carry out national defence activities and shooting training and to enable the administrator to use it also for the purposes of achieving its objectives. The agglomeration is being developed in accordance with the Guardian Association's Harju malting hop development programme.

The tender submitted shall include a concept for the development of the hop conurbation, which shall indicate the size of the activities, the timetable and the amount (s) of investment, and how the developments will support the activities of the Defence League in the conurbation.

More detailed information and selection criteria added.

Tenders can be submitted on working days E-N 8.00 - 16.45, R 8.00 - 14.00 of Toompea 8, the Guard Round of the Tallinn Defence Association. The tender must be submitted no later than 21.11.2019 at 10.45 a.m.

for additional information: the participant in the tender must be a legal person whose main activity is the provision of national defence or shooting and military, sports training. At least 5 years' experience in the management of shooting rounds is an asset.
