Notification of the publication of a draft environmental permit

Start of publication: 12.03.2020

End of publication: 13.03.2120

The Environment Agency publishes a notice under [paragraph 47\(2\) of the General Law on the Environment \(KeÜS\)](#).

The Environment Agency reports that the Port Authority of Hiiumaa (registry code: [90014553](#)) (address central exk 5a, the municipality of Kärkla, the municipality of Hiiumaa, the county of Hiiumaa) applies for an environmental permit for special water use ("the licence"), valid from 01.04.2020 to 31.03.2022 in the municipality of Hiiumaa, in the municipality of Hiiumaa, in a nearby village with a port site (cadastritade 17501:003:0086; Part 444533 in a neighbouring marine area). The purpose of the application is to carry out specific water-use works in connection with the reconstruction and expansion of the Sõru recreational port - dredging works of 6500 m³ and the installation of solid substances of 436 m³. A draft decision on the granting of a water permit and a draft water permit as well as a draft preliminary assessment of the need for an environmental impact assessment of the activities applied for have been finalised.

The draft (s), application for authorisation and other relevant documents can be consulted at the Office of the Environment Agency in Tartu (Alexander 14, Tartu, tel 6807438, e-mail info@keskkonnaamet.ee).

The drafts are available digitally in the environmental decision information system (<https://kotkas.envir.ee/>) by entering the registration number M-107656 in the search.

Proposals and objections to the draft (s) may be submitted to the Environment Agency orally or in writing to an e-mail address at info@keskkonnaamet.ee or postal address Alexander 14, 51044 Tartu, within two weeks of the publication of the notice in the Official Journal Ametlikud Teadaanded.

The Environment Agency shall propose to hear the case without holding a public hearing.
