Notice of initiation of a building plan

Start of publication: 16.03.2020

End of publication: indefinite

The Rapla Vallavalitsus publishes a notice pursuant [to paragraph 128\(7\) of the planning Law \(plans\)](#).

The Rapla Vallavalitsus States that, by Decision No 10 of the Regional Council of Rapla Vallavolikogu of 27 February 2020, entitled "opening of a building plan", the drawing up of a building plan in accordance with the master plan was initiated in the City of Mahlamäe TN 7 of Rapla. The aim is to lay down conditions for the erection of up to two five-deck apartment blocks. The planning area of around 0,4 ha covers 7 fields of the Mahlamäe TN (cadastral mark 67001:008:0012) and part of the Mahlamäe Street (cadastral mark 66901:001:0585) in Rapla. The planning area is bounded by garages from the east of Mahlamäe TN 7a, from the north by TN 8 and 10, from the west by Mahlamäe TN 5 and from the south by apartment buildings from Mahlamäe tn 6 and 8.

The need to draw up a zoning plan is apparent from the master plan and the planning law of the Municipality of Rapla.

It is necessary to draw up an up-to-date geodetic master plan of the networks.

For more details on the plan: <http://rapla.kovtp.ee/algatamine>

Details of the building plan can be found on the website of the Municipality of Rapla in <http://rapla.kovtp.ee/algatamine>
