Notice of fisheries support

Public from: 24.04.2020

Public until: for an indefinite period

Maaeluministeerium publishes this announcement under [Regulation enacted pursuant to the Fisheries Management Act](#).

Maaeluministeerium announces that the reception of applications will take place on until 8 May 2020.

The purpose of the grant is contributing to the better management or conservation of marine biological resources, the construction, installation or modernisation of static or mobile structures, support for THE preparation of conservation and management plans for Natura 2000 sites and marine protected areas, the management, restoration and monitoring of marine protected areas, including NATURA 2000 sites, environmental awareness and participation in other actions aimed at maintaining and improving biodiversity and ecosystem related services.

For the applicant:

- applications may be submitted by public authorities of the executive and by public revenue agencies.
- the deadline for submitting an application is 08 May 2020.
- an executive public authority and a public revenue agency wishing to be included in a scheme for the use of grants shall submit, within the deadline for submitting an application, an application containing the information referred to in paragraph 6(4)(1) to (8) and paragraph 6(5)(1) to (4) of Decree No 22 of the Minister for Rural Affairs of 27.02.2017.
- budget of EUR 1 076 577 for the implementation of the grant
- Additional information: Annika Teino (annika.teino@agri.ee, Tel. 625 6525), Ministry of Rural Affairs Fisheries Division.

Please submit the application documents: The e-mail address of the Ministry of Rural Affairs is info@agri.ee by the words "EMFF measure 1.18 application".

Further details can also be found in the Regulation on which the notice is based and the supporting documents for the application (application form) and additional information on the subsidised activities are available on the website of the Ministry of Rural Affairs: [conservation and restoration support 2020 for https://www.agri.ee/et/merekeskkonna-biodiversity and oceanic themes](https://www.agri.ee/et/merekeskkonna-biodiversity-and-oceanic-themes)
