Notice of fisheries support

Public from: 22.03.2021

Public until: for an indefinite period

Maaeluministeerium publishes this announcement under [Regulation enacted pursuant to the Fisheries Management Act](#).

Maaeluministeerium announces that the reception of applications will take place on 29 March 2021.

The purpose of the grant is contributing to better management or conservation of marine biological resources, building, installing or modernising static or mobile structures, and contributing to better management or conservation of marine biological resources. In inland waters, the objective of the measure is the construction, modernisation or installation of static or mobile structures for the conservation and enhancement of aquatic fauna and flora, including their scientific preparation, monitoring and evaluation, as well as the management, restoration and monitoring of Natura 2000 areas affected by fishing activities.

Please submit the application documents: The e-mail address of the Ministry of Rural Affairs is info@agri.ee by the words "EMFF measure 1.18 application".

Further details can also be found in the Regulation on which the notice is based and the supporting documents for the application (application form) and additional information on the supported activities can be found on the website of the Ministry of Rural Affairs: [conservation and restoration of https://www.agri.ee/et/merekeskkonna-biodiversity and ocosity themes 2021](https://www.agri.ee/et/merekeskkonna-biodiversity-and-ocosity-themes-2021).
