## Detailed planning initiation Notice

Public from: 06.07.2021

Public until: for an indefinite period

Kose Vallavalitsus publishes this announcement under [Section 128\(7\) of the planning Act \(plans\)](#).

Kose Vallavalitsus announces that, by order No 461, 06.07.2021 initiated the building plan of the land registry of the Vesgiespõllu in Harm village.

The purpose of the zoning plan for the hydraulic parcel is to divide the cadastral parcel for residential purposes and to determine the right to build on the incoming land. The area of the proposed area is approximately 7,1 ha and includes the cadastral parcels of the Hydrogen parcel (cadastral identification 36301:001:0361) and the Veskiejõe (cadastral identification 36301:001:0371, in part).

The opening of the zoning plan is not contrary to the general plan of the municipality of Kose. There is no need to carry out any studies when the building plan is initiated. The initiator, the organiser and the organiser of the building plan are the Kose Vallavalitsus and the draftsman is PAABOR PROJEKT OÜ. The Annex to the order and order (including the planning area boundary) can be consulted digitally IN the EVALD application, the register of documents of the municipality of Kose, in official journals and during working time on paper at the municipality of Kose.
