## **Notice of public display of and public consultation of an environmental impact assessment programme**

Public from: 19.07.2021

Public until: for an indefinite period

Keskkonnaamet publishes this announcement under [§ 16 \(2\)1\) of Environmental Impact Assessment and Environmental Management System Act](#).

Keskkonnaamet announces the Huntaugu VIII permit for the extraction of sandy quarries of the publication of the environmental impact assessment (EIA) programme.

The EIA initiated the EIA by letter No 30-11-3/44033-2 of 23.10.2008. The proposed activity aims at the extraction of building sand in blocks VIII and 10 of the Huntaugu deposit of Huntaugu. The mountain allocation for the VIII sea breed is located in the 59 cadastral parcels of the district of Colga owned by the State in the village of Kuusalu in Harju County (cadastral identification 35201:003:0220).
