Notice of initiation of the prospection permit procedure

Public from: 09.06.2022

Public until: 10.06.2122

Keskkonnaamet publishes this announcement under [paragraph 30\(2\) of the Rural Law \(MaaPS\)](#).

Keskkonnaamet announces, that Verston OÜ (registry code: [11947047](#)) (address Pärnu tn 128, Paide linn, Paide linn, Järva maakond) the application for authorisation of the geological survey submitted by the applicant was accepted.

Authorisation for the geological exploration of the fish exploration room is sought for the private cadastral parcels Maripuu (cadastral Identifier 25501:001:0310), Sternhof (cadastral Identifier 31403:001:0063) and Sternhof (cadastral Identifier 31403:001:0064) in Järva County, Kalitsa County.

The area covered by the requested survey room is 18.22 ha. The requested test room consists of two solvent units. This is a consumption inventory study, in which up to 35 exploration voids are planned to be built. The exploration depth is up to 13 m. the ore under consideration is a filling gravel and a building gravel. The estimated quantity of mineral resources, taking into account mining losses, is 911 thousand m³. The potential area of use of the resources under investigation is, according to the request, evident after a geological study has been carried out. The period of validity of the authorisation applied for shall be 3 years. Hydrogeological works shall be carried out to measure water levels and other targeted works shall be sampled for the determination of granulometric composition and physico-mechanical tests. The investigator is an OÜ J.Viru Markšeideribüroo.

Application for a permit for a geological examination and other relevant documents can be consulted at https://kotkas.envir.ee/permits/public_application_view?proceeding_id=20452. Digital documents are available at https://kotkas.envir.ee/permits/public_document_view?document_id=79748.

Until the #tk_menetluse_liik# decision is taken, everyone has the right to submit reasoned proposals and objections to the To the Environment Agency. Proposals and objections may be submitted orally or in writing to the e-mail address info@keskkonnaamet.ee or the postal address Tallinna mnt 14, 79511, Rapla.

Keskkonnaamet will additionally announce the completion of the Authorisation for prospecting draft in the official publication Official Announcements.
