Notifications of the creation of a hunting area

Start of publication: 30.04.2014

The Environment Agency reports that it has established a hunting area in East Lahemaa

With regard to the Lahemaa national Park, the Environment Agency has undertaken not to link nature conservation areas to adjacent hunting areas, but to create two new hunting areas: Western Lahemaa and Eastern Lahemaa

The East Lahemaa hunting area has been established by order No 1-4.1/14/226 of the Director-General of the Environment Agency of 28.04.2014. The Circular and the map of the hunting area can be found on the website of the Environment Agency at the offices of www.keskkonnaamet.ee and Rakvere in the Region of Viru (Kunderi 18, Rakvere) in

.The East Lahemaa hunting area is predominantly located in the part of the Lahemaa national Park which remains in Lääne-Virumaa, in the municipalities of Vihula and Kadrina, and in the part of Harjumaa, in the municipality of Kuusalu, in Harjumaa, in the municipality of Kuusalu, in the

.The Environment Agency announces that it will start receiving applications for permits for hunting in the East Lahemaa

.Under paragraph 15 of the Law on hunting, authorisation to use a hunting ground is subject to the submission of a written application, which must include:

- (1) the name, registration code, location and contact details of the applicant;
 - (2) the name of the hunting area applied for;
 - (3) the manner in which the authorisation to use the hunting ground is to be served and the contact details necessary for such service;
 - (4) the date of filing of the application and the signature of the representative of the applicant in the
- .(2) an application shall be accompanied by the particulars of the land located in the hunting area of the applicant or a written agreement specified in subsection 14 (5) of the hunting Act, including a list of agreements which shall include:
- (1) the name, registration code, location and contact details of the applicant;
 - (2) the name, personal or registry code, contact details, cadastral number and area of the landowner;
 3. the date of the consent of the landowner and the signature of the landowner of the

Applications for hunting licences may be submitted until 29.05.2014 by the Environment Agency Kunderi 18, Rakvere 44307 or, signed digitally, by e-mail to the viru@keskkonnaamet.ee
