Notifications of the creation of a hunting area

Start of publication: 12.02.2015

The Environment Agency reports that changes to the boundaries of the Muuga hunting area have been initiated

The State Riigimetsa Majandamise Keskus ("ICMC") submitted on 12.12.2014. The Board of the ICTY informed the Environment Agency, by decision of 11.12.2014, of the withdrawal of the licence LV-1 for the hunting ground in Angus with effect from 1 March 2015. In that regard, under paragraph 20(1)(p) (2) of the Law on hunting, that right of usufruct ceases to apply and the Angian hunting area becomes an unallocated hunting area within the meaning of the Law on hunting

With regard to the Angian hunting area, the Environment Agency has set up three areas with equal hunting opportunities with the extension of the hunting areas in Tudu and Muuga and the creation of a new Angian hunting area in

Other hunting areas are located in the municipality of Laekvere in Western Viru

The boundaries of the other hunting area are amended by a circular of the Director-General of the Environment Agency, the draft of which and the map of the hunting area can be consulted on the website of the Environment Agency at www.keskkonnaamet.ee, the offices of Rakvere in the Region of Viru (Kunderi 18, Rakvere) and the Municipality of Laekvere (Salutaguse Road 2, Laekvere) until 27.02.2015.

The Environment Agency proposes not to hold a public session in the procedure for amending the boundaries of the Muuga hunting area

Objections and suggestions to be submitted until 27.02.2015 to the Environment Agency, Kunderi 18, 44307 Rakvere or email to Laane-viru@keskkonnaamet.ee.
